

# *Women Marines Association*

## *I Pledge*

As we all know it takes money to get an organization such as WMA moving forward. It takes the whole group to keep our Association “gassed” up as we move forward into the future. Many of our members are life members and they paid \$100 in the beginning. The money from those dues were used up long ago. Our current dues are still the most economical of all of the military associations. WMA does so many great things from our scholarships to our matching funds programs for chapters to our grants for veterans in need. It all takes money.

Please think about a stipend to WMA to help defray the costs.

You would be amazed just how quickly just a small donation can add up.

Amount donated	# of members	Monthly donation	Yearly total
\$5	100	12	\$ 6,000
\$10	100	12	\$12,000
\$25	100	12	\$30,000
\$50	100	12	\$60,000

If you are interested in joining “I Pledge” you can have an automatic draft sent from your bank or mail a monthly check. Use the account # GFD001943 or write I Pledge on a check you mail in.

All donations to the General fund should be mailed to: Women Marines Association P.O. Box 377 Oaks, PA 19456-03

Thank you for supporting WMA.
